* In accordance with rule 69, paragraph 3, of the rules of procedure of the functional commissions of the Economic and Social Council.

Having examined the first report (E/CN.4/1994/66) of the Special Rapporteur on contemporary forms of racism, racial discrimination, xenophobia and related intolerance,

Concerned that despite efforts, racism, racial discrimination, anti-Semitism, xenophobia and related intolerance, as well as acts of racial violence, persist, and are even growing in magnitude, continually assuming new forms,

Conscious of the fundamental difference between, on the one hand, racism and racial discrimination as an institutionalized governmental policy, such as apartheid, or resulting from official doctrines of racial superiority or exclusivity, and, on the other hand, other manifestations of racism, racial discrimination, xenophobia and related intolerance taking place in segments of many societies and perpetrated by individuals or groups,

1. Expresses its appreciation to the Special Rapporteur on contemporary forms of racism, racial discrimination, xenophobia and related intolerance for his report (E/CN.4/1994/66);

2. Welcomes the proclamation by the General Assembly of the Third Decade to Combat Racism and Racial Discrimination beginning in 1993 and the Programme of Action for the Third Decade;

3. Also welcomes the Special Rapporteur's proposal concerning the organization of an interdisciplinary seminar on the problems of the theoretical aspects and specific manifestations of contemporary forms of racism, racial discrimination and xenophobia;

4. Requests the Special Rapporteur to examine, in accordance with his mandate, incidents and governmental measures and to report on these matters to the Commission at its fifty-first session;

5. Also requests the Special Rapporteur to have an exchange of views with the various relevant mechanisms and treaty bodies within the United Nations system, including the Committee on the Elimination of Racial Discrimination, in order to further enhance their effectiveness and mutual cooperation;

6. Calls upon all Governments, intergovernmental organizations, relevant organizations of the United Nations system, as well as the non-governmental organizations, to supply information to the Special Rapporteur;

7. Encourages the Special Rapporteur in close consultation with Governments, relevant organizations of the United Nations system, other intergovernmental organizations and non-governmental organizations to present further recommendations concerning human rights education with a view to preventing actions giving rise to racism and racial discrimination;

8. Requests the Special Rapporteur to use any information that he might deem relevant to his mandate;

9. Encourages Governments to cooperate closely with the Special Rapporteur with a view to enabling him to fulfil his mandate;

10. Regrets that the Special Rapporteur encountered difficulties in preparing his first report, owing to the lack of necessary resources;

11. Requests the Secretary-General without further delay to provide the Special Rapporteur with all the necessary assistance to carry out his mandate and to enable him to submit a comprehensive report to the Commission at its fifty-first session.
